Thank you Jewish Federation of New Mexico

Once again the Jewish Federation of New Mexico (JFNM) is providing much appreciated support to the JFS Chaplaincy Program. JFNM awarded JFS grant funding to support our Albuquerque, Rio Rancho and Santa Fe Chaplaincy Programs and funding for our Case Management Program's Intensive Social Work for Jewish Elders. This grant also includes funding to help start the Jewish Indigent Burial Fund, a new program JFS is offering in partnership with Congregation Albert; Congregation B'Nai Israel; Congregation Nahalat Shalom; French Funeral and Cremation Services; and Daniels Family Funeral Services. JFNM is a strong partner with JFS and together we've accomplished much for our Jewish Community! We are thankful for their continued support of our programs this year.
